

School Mentorship Programme

The Maria Montessori Institute offers a range of School Mentorship and Staff Training Programmes. These cover a variety of formats depending on the need and requirement of individual schools. Please see below the schemes we have to offer.

❖ **Professional Development Day** **£350.00**

Full day training session for school staff, covering Montessori principles and practice. Subjects are tailored to the needs of individual school and staff.

❖ **School Mentorship** **£200.00**

Regular school observations throughout the academic year to guide and support staff development. This will provide guidance on the implementation of theoretical principles into practice. The number of visits throughout the academic year will depend on the need and requirement of each school.

❖ **Parent Evening** **£150.00**

Staff of the Maria Montessori Institute can be invited to present Parent Education Talks. These cover a wide range of topics and support your work with parent partnership.

Fees are required in advance and made payable to The Maria Montessori Training Organisation.
